

Body Worn Camera

Model: BE – Q1

Design	
Dimension	70 mm×55mm×28mm
Weight	142g
Articulated Camera Head	Horizontal:250°, Vertical:20°
Display	2.0-inch Front Facing Screen
LED Indicator	Yes
AES-256 Encryption	Yes
Type-C	Yes
GPS	Yes (Optional)
Pogo Pin	Yes
Video	
Video Resolution	1920×1080, 1280×720, 864×480
Encoding & Format	H.265 & H.264, MPEG-4
Field of View	≥120°
Distortion Correction	Auto
Night Vision	0.1 Lux, without IR light
Tamper-proof	User, S/N, Time & Date, Coordinates embedded on evidence
Pre/post Recording	30 seconds
PTT Integration	Yes, with Motorola radio
Battery	
Capacity	Built-in 3,450mAh Li-ion Polymer Battery
Battery Life	12 hours
Recharge Time	3 hours
Storage	
Non-Removable	32GB
Capacity	Store around 41 hours video at 720P, with H.265.
Reliability	
Drop Test	2 Meters
Dust/Water Protection	IP67
Operating Environment	-30° C ~ 60° C

APPEARANCE

➤ FRONT FACING SCREEN

The front facing screen has a proven calming effect on people being recorded. When appropriate, the screen can also be used to view evidence in the field, without needing a smart phone or a PC.

➤ ARTICULATED CAMERA HEAD

Our design delivers outstanding performance on the life time of articulated camera head, over 30,000 rotation times, which provides an optimal FOV and flexible wearing options.

➤ ON/OFF SLIDE SWITCH

Q1 is the easiest camera on the market to operate, with a sliding switch, simply slide the switch down, and the camera turns on and start recording.

➤ PTT INTEGRATION

We consolidate our camera to be efficient but also practical at the same time, you can connect Q1 to your radios as an RSM.

➤ ADVANCED IMAGE SENSOR

Allows officer to capture better evidence with improved low-light performance, reduced motion blur, and advanced audio with noise reduction technology.

➤ H.265 CODEC

When it comes to storage, a highly efficient video compression will be more preferable to save your resources.

➤ 12+ HOURS BATTERY LIFE

If a critical event happens, not having enough battery life left to capture the incident could be devastating, we provide 12+ hours battery life that supports your full shift.
